

Event Perfekt Global Ltd

Sustainability Policy

Effective Date: 15 April 2025

Review Date: 15 April 2026

1. Purpose and Scope

This policy outlines Event Perfekt Global Ltd's commitment to sustainable delivery across all contracts, venues, and supply chains. It applies to planning, procurement, logistics, and stakeholder engagement.

2. Governance and Oversight

- **Tolulope Kumolu-Johnson** – Strategic Sustainability Lead
- **Emily Preston** – Venue and supplier sustainability
- **Dash A White** – Communications and stakeholder alignment

Sustainability actions are tracked via ProjectCo and reviewed quarterly

3. Sustainable Delivery Practices

- Preference for venues with green certifications and public transport access
- Digital-first communications and paperless workflows
- Ethical sourcing and supplier diversity criteria
- AV and staging reuse protocols
- Carbon footprint tracking for major events

4. Stakeholder Engagement

- Sustainability briefings included in onboarding
- Participant feedback loops include environmental impact questions
- Messaging aligned with public sector sustainability frameworks

5. Review and Audit

- Policy reviewed annually and updated via ProjectCo
- Metrics tracked across delivery cycles
- Continuous improvement embedded into planning and procurement
