Invoice finance receipts (£14,200). Receipts from Partnership Invoice Finance Limited have been recognised as turnover for the period.

SubLoan (£1,000). An advance of £1,000 to Saidat Oki-Adeniji has been recorded as an other debtor (loan receivable).

Trade debtors. No customer sales ledger was available; trade debtors are recorded as £nil at the period end.

First accounting period (13 months). The statutory accounts cover the 13-month period from incorporation to 31 August 2025. For Corporation Tax purposes this period will be split into two accounting periods (3 August 2024 - 2 August 2025, and 3 August 2025 - 31 August 2025), with the Corporation Tax liability apportioned accordingly when the CT600 returns are prepared.

Director and related parties. Transactions have been analysed on the basis that Tolulope Kumolu-Johnson is the company's director, with Elizabeth Kumolu-Johnson treated as a connected party for office-related transactions.
